

Company Profile

About NM CORP

Incorporated in the year 2020, NM Corp emerged with a vision to reimagine the future & create spaces with a high livability quotient for the community.

At the heart of its philosophy lies the commitment to maximise value for all. Organisational efficiency & exceptional product quality combined with robust business practices has been the driving force of the enterprise.

Having delivered a cumulative of 1.5+ mn sq. ft. & 1000+ homes, along with its partners, NM Corp is set to bring you the next era of real estate with projects in Ravet, Baner & Kharadi.

History

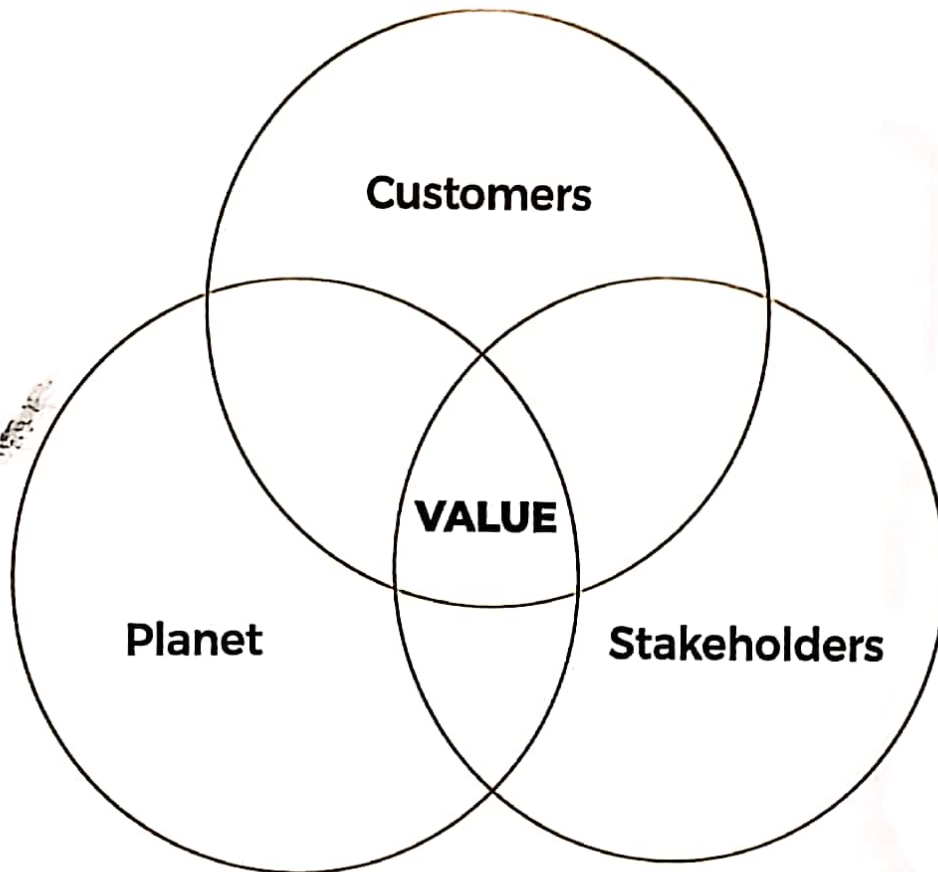

Behind the enterprise is Mr Nitin Mittal, a developer & renowned industrialist. Building homes that seamlessly integrate into an ecosystem has been the focus of NM Corp. With this in mind, the enterprise has built key projects in West Pune: Aashirwad Homes at Ravet & The Saga at Pradhikaran.

Nitin Mittal
Founder &
Managing Director

He is also the Chairman of Knest Aluminium Formwork, a construction-tech company that provides solutions to the real estate industry. Formerly, Mr. Mittal held directorial positions at two top real estate companies in Pune, one of them being Krisala Developers. He contributed significantly to the success of residential projects like 41 Estera, 41 Evoke, Adora & Shangrila. In addition to prestigious commercial projects such as Aspiro (Nest Group) & B-Zone Pimpri.

Beyond this, his close associations with real estate information aggregators like JLL, CBRE, Cushman & Wakefield, Anarock & many more, have helped him stay ahead of the curve.

Our commitment is to maximise value for customers, stakeholders & the planet alike.

For customers

To continually improve as an organisation & enhance living experiences.

For stakeholders

To strive to create a positive impact with every interaction & shared value for all.

For the planet

To make every project environmentally sustainable with Green Building practices.
